

EU DECLARATION OF CONFORMITY

WE

inChaNet s.r.o.
Hasičská 3019
756 61, Rožnov p. R.
IČ: 032 44 415

Declare under our sole responsibility, that the product:

Type 2 charging socket with RGB lighted lid

Type:

RGB Type 2 socket

Manufacturer: inChaNet s.r.o.
Production year: 2024
Notable features: RGB lighted socket lid

Description: Equipment for charging electrical vehicles by conductive coupling covered by this declaration is in conformity with the following relevant harmonized legislation of European Union.

- Directive 2014/35/EU LVD of the European parliament and of the Council
- Directive 2011/65/EU RoHS of the European parliament and of the Council

The following harmonized standards and technical specifications were used for the assessment, on the basis of which conformity was declared:

- IEC 62196-2:2016

The product is safe under the conditions of normal and intended use. We have taken all the measures available to us to ensure the conformity of the products with the essential requirements of EU legislation.
